

**Director in the Corporate Development area of Iberdrola reporting to the Chief Corporate Development Officer**

Degree in Business Administration by Universidad Pontificia Comillas in Madrid (ICADE).

**RELEVANT EXPERIENCE FOR PERFORMING HIS DUTIES**

He has more than 15 years of experience in corporate finance, mainly in the energy sector.

He has developed most of his professional career in Iberdrola, the largest European utility by market capitalisation. Since joining the company in 2008 he has belonged to the Corporate Development team, actively leading all types of acquisitions, divestments and joint ventures in different geographies and business segments for more than 20 billion euros of enterprise value.

He is also former board member of Wallbox.

He previously worked in Deloitte and 360 Corporate in mergers and acquisitions, advising industrial customers and financial sponsors in several transactions, including acquisitions, divestments and restructurings.
